About Iran Health Exhibition

Iran Health International Exhibition is the most important international event for the medical, laboratory, pharmaceutical and healthcare industries in Iran. As a premier B2B platform, it brings together leading manufacturers, distributors, healthcare professionals, policymakers and decision-makers to showcase cutting-edge innovations, explore new business opportunities and strengthen strategic industry collaborations.

With hundreds of exhibitors and thousands of specialized trade visitors from across the region and beyond, the exhibition provides unmatched opportunities to:

- Launch new products and innovations
- Expand distribution networks
- Identify strategic partners
- Engage directly with key decision-makers
- Strengthen brand visibility in a competitive market

In addition to the exhibition showcase, **Iran Health 2026** features high-level conferences, expert-led seminars and professional workshops covering emerging technologies, regulatory developments, investment opportunities and future industry trends.

Participating in the **27th Iran Health exhibition** positions your company at the heart of regional healthcare growth, enabling long-term partnerships and unlocking new business opportunities in Iran and the broader Middle East market.
